

TEXAS POLICE ASSOCIATION CHARITY GOLF TOURNAMENT "We've Got Your Back"

The Texas Police Association (TPA), in partnership with Capstar Financial and Spanish Oaks Golf Club, proudly presents the **"We've Got Your Back" Charity Golf Tournament** on **Tuesday, October 13, 2026**, in Austin, Texas.

Every day, Texas first responders place themselves in harm's way to protect our communities. While they answer the call without hesitation, many carry the lasting emotional effects of traumatic incidents, critical events, and the daily demands of public safety. These experiences can contribute to PTSD, anxiety, depression, and other mental health challenges that often go unseen.

The **"We've Got Your Back"** initiative was created to provide first responders with mental wellness resources, resilience training, leadership development, crisis response education, and other essential professional training that helps them remain healthy, effective, and prepared to serve. Recent events, including the anniversaries of the Uvalde school tragedy and the devastating Texas Fourth of July floods, remind us of the extraordinary emotional toll placed on those who respond when others need them most.

Proceeds from this tournament will directly support these vital programs, ensuring Texas law enforcement officers and first responders have access to the training, education, and support they deserve.

We invite you to become a sponsor of this important event. Sponsorship opportunities are available at www.tpagolftournament.com, where you can also learn more about the **"We've Got Your Back"** initiative. Your investment will make a lasting difference in the lives of the men and women who dedicate themselves to protecting Texas communities.

Founded on **March 6, 1895**, the Texas Police Association is a nonprofit **501(c)(3)** organization committed to advancing professionalism in law enforcement. The Association played a key role in the establishment of the **Texas Department of Public Safety** in 1935 and the **Texas Commission on Law Enforcement** in 1967. TPA is **not a labor union** and does **not** engage in telephone solicitation. Our membership includes law enforcement officers and first responders from municipal, county, state, university, independent school district, and federal agencies throughout Texas.

Together, we can ensure that those who dedicate their lives to protecting others know that Texas has their back.
